

Elective Affinities

German Art since the late 1960s

£37.50

The catalogue in connection with the exhibition *Die Wahlverwandtschaften* (The Elective Affinities) has no less a goal than comprehensively presenting the most important aspects of German art of the past 50 years – from the generation around Joseph Beuys until today.

Over 50 renowned artists show impressive paintings, drawings, and sculptures, supplemented by fascinating positions in photography as well as video and conceptual art, and divided into various categories facilitate a comprehensive overview of German art from the 1960s until today.

Published alongside the exhibition: *Gara radinieki/Elective Affinities/Wahlverwandtschaften*, June 16 – August 21, 2016, Latvian National Museum of Art, Riga

German, English and Latvian text.

Key Selling Points

Comprehensive overview of German art from the past 50 years.

Work of over 50 different artists, working with all sorts of media are included.
