Beyond the New on the Agency of Things £42.00

Design theorist Louise Schouwenberg examines the meaning and agency of things as mediators between people and world, both within everyday life and the museum context.

Moreover, she questions the market's obsession with novelty in design, and searches for answers how to distinguish novelty for the sake of novelty from true cultural innovation in design, of which a museum archive testifies.

The themes, examples and images are chosen in close consultation with designer Hella Jongerius.

Graphic design by Irma Boom.

Accompanies the exhibition Die Neue Sammlung/Beyond The New, 10 Nov, 2017 - 16 Sep 2018, The Design Museum, Pinakothek der Moderne, Munich.
