

## Kerry Tribe

### Dead Star Light

£14.95

*Dead Star Light* (2010) is Tribe's first major exhibition in Europe, and includes three new works: *Parnassius Mnemosyne*, *Milton Torres Sees a Ghost* and *The Last Soviet*, all documented here.

Tribe's large-scale projects in film, video and sound form an ongoing investigation into memory, subjectivity and doubt.

Working with different technology – 16mm film, reel-to-reel audio, and video – the artist structurally engages with its material in innovative and considered ways.

This exhibition is the last in a series of three artists' commissions jointly organised by Arnolfini, Bristol; Camden Arts Centre, London; and Modern Art Oxford, under the collective title of the *3 Series*.

This publication, which includes texts by Juli Carson, Anne Ellegood, Nav Haq and Martin Herbert, accompanies an exhibition by artist Kerry Tribe.
